Subject: Contract # ED-99-DO-0002
Task Order 9.0
Deliverable 9.3.1 SFA Style Guide

Enclosed is the SFA Style Guide. Attached are suggested changes from the reviewers. Future revisions are not planned, but the document will be updated as appropriate.

Suggested Changes/Comments	Page	Author	Date	Change Made Y/N	Comment
Questioned the audience of the example web style requirements.	4	M. Petersen	9/19	Y	Changed the wording in the examples from "You" to "The developer"
Hyperlink requirement was worded such that it did not enforce the rule.	5	M. Petersen	9/19	Y	Changed the wording in section 5.0 from "should" to "must"
Location of reference not specified.	6	M. Petersen	9/19	Y	Reference book title and editor put on the page.
Question on what the standard screen resolution is for SFA.	7	M. Petersen	9/19	Y	No standard screen resolution for intranet users. For intranet developers the standard screen is 800x600. This was added to the documentation.
Added comment for <ALT> tag usage	7	M. Petersen	9/19	N	
Asked to clarify why client-side image maps should be used versus server-side image maps.	8	M. Petersen	9/19	Y	Added that client-side maps should be used due to their better response times than server-side maps.
A/V requirement was worded such that it did not enforce the rule.	8	M. Petersen	9/19	Y	Changed the wording in section 9.0 from "should" to "must"
The list of home page components for the UI does not correspond to the screen shot of the home page.	15	M. Petersen	9/19	Y	Arrows were drawn on the screen shot to link the component list to the home page UI.
Tier two home page screen shot not present	16	M. Petersen	9/19	Y	Reference to the template was removed from document.
2-Column article cover page/TOC template screen shot not present	18	M. Petersen	9/19	Y	Reference to the template was removed from document.
1-Column article cover page/TOC template screen shot not present	19	M. Petersen	9/19	Y	Reference to the template was removed from document.
2-Column content page template screen shot not present	20	M. Petersen	9/19	Y	Reference to the template was removed from document.
1-Column content page layout template screen shot not present	20	M. Petersen	9/19	Y	Reference to the template was removed from document.
Palette, Font, and Image template are not present	21	M. Petersen	9/19	Y	Reference to the template was removed from document.
Section 19 references table on the next page, that is actually on the same page.	25	M. Petersen	9/19	Y	Redirected the reference to the table.
